

**JIM KEPLER APPOINTED VICE PRESIDENT
AND GENERAL MANAGER OF TRIMAS LIFE SCIENCES**

BLOOMFIELD HILLS, Michigan, May 6, 2024 – TriMas (NASDAQ: TRS) today announced that Jim Kepler has been appointed Vice President and General Manager of TriMas Life Sciences. Jim will focus on driving profitable sales growth and operational excellence in the medical device industry. Jim will be based in Bloomfield Hills, Michigan.

Jim became part of TriMas in 2022 through its acquisition of Intertech. Over his 25-year tenure, he has steered Intertech's growth into Colorado's largest injection molding manufacturer, particularly prominent in the medical device industry. Jim's leadership has been pivotal in achieving this success, emphasizing the development of high-performing teams and the adoption of cutting-edge technologies, such as highly automated quality compliance and manufacturing systems. In addition to his focus on organizational success, Jim has made substantial investments in developing top talent and educational initiatives. He actively promotes manufacturing awareness in STEM programs within the Denver Public School district and is deeply involved in implementing CareerWise, a nationally recognized apprenticeship program.

About TriMas

TriMas manufactures a diverse set of products primarily for the consumer products, aerospace and industrial markets through its TriMas Packaging, TriMas Aerospace and Specialty Products groups. Our approximately 3,400 dedicated employees in 13 countries provide customers with a wide range of innovative and quality product solutions through our market-leading businesses. Our TriMas family of businesses has strong brand names in the markets served, and operates under a common set of values and strategic priorities under the TriMas Business Model. TriMas is publicly traded on the NASDAQ under the ticker symbol "TRS," and is headquartered in Bloomfield Hills, Michigan. For more information, please visit www.trimas.com.
